OUR MISSION IS TO PROVIDE BOTH THE ELDERLY AND THEIR CARETAKERS WITH ALL OF THE EDUCATION, PREPARATION AND RESOURCES THAT THEY WILL NEED, TO ENSURE A SMOOTH TRANSITION TO THIS NEXT, NATURAL STAGE OF LIFE.
GREETINGS,

2020 was a challenging year for our organization. It was especially challenging for the Senior population we serve. However, thanks in large part to your support, Green Box Solutions experienced tremendous growth. I am so excited about our growth and the opportunities that await us in 2021. This annual report allows us to share with you the amazing impact we made in 2020.

Due to the Corona virus pandemic, we had to quickly adapt to restrictions mandated by the government. Unfortunately, this caused us to cancel our annual Senior Safety Symposium and other planned educational events. However, it allowed us to connect with senior service providing organizations by providing essential safety items to their residents.

As we reflect upon 2020, we are also extremely proud of the organization’s accomplishments. These accomplishments will help us support our mission.

Please continue supporting us by donating, volunteering, attending an event and/or sharing our mission with members of your network. We need your support now more than ever.

Sincerely,

Erin Welborn
